Summary

Motion Graphics Artist, 3D Animator and Graphic Designer, with 20+ years of experience in designing and creating motion graphics for broadcast television, sports arenas, and social media. I am experienced in working remotely with creative teams in the design of motion graphics, animation and visual effects from concept to execution. I have worked remotely with creative teams over the past 10 years, and I am at home and comfortable with the unique requirements of creative timelines and deliverables.

Experience

MOTION GRAPHICS DESIGNER, FUZZY RED PANDA   2005 - PRESENT

- Collaborated with sports marketing creative teams in the development and creation of dynamic Motion Graphics, 3D Animation and Visual Effects for in-venue video boards, commercial production and social media use for high profile teams like the Dallas Stars, Washington Capitals, University of Kentucky and Monumental Sports Network.

- Designed high-impact motion graphics, VFX and 3D animations for diverse media, including commercials, in-venue live events and social media including all stages of creative development, execution, concept development, storyboarding, pre-visualization and final execution.

- Developed production workflows with modular assets and optimized animation techniques in support of the development of a custom built online rendering platform.

- Designed infographics and data visualizations for high profile clients such as TomTom, IndyCar and Nascar.

- Designed and built a one-of-a kind online rendering platform for creation of real-time sport social media motion graphics.

ANIMATION DIRECTOR, 285 BLUE STUDIOS   2002 - 2005
